

AVERAGE CAT TIMELINE

SEND TO THE CONGREGATION

Week 1

The assessment is ONLY LIVE and ready to GO on your end, once you take the information we've provided and send it out to the congregation.

SCHEDULE CLOSE DATE

Week 4

Now that you are live, you control the timeline.

We will not shut off the assessment until you've provided a date for us to do so, and have completed your church data form.

REPORTS

You will receive the reports a few days prior to your scheduled interpretation.

START

Average 1 - 2 days

Once an order is placed, the assessment is LIVE and ready to go on our end. It will be sent to you within 24/48 hours from the time you've placed your order.

LIVE ASSESSMENT

Week 3/4

We recommend keeping the assessment open for 3-4 weeks. You will receive an update each Friday on how many assessments have been completed.

INTERPRETATION

Week 5

We recommend scheduling your interpretation 5-7 business days AFTER the close date you've provided

Week 6

SCHEDULED INTERPRETATION
